trio will now be joined by dual Group 1 winner Voila Ici.

Formerly-trained by Vittorio Caruso, the Italian stallion is currently in quarantine with new stablemate Black Caviar and the pair are scheduled for a July 10 return to Australia.

[Voila Ici](#)  will spend another two weeks at the Werribee quarantine centre before being prepared for a tilt at the 2012 Caulfield and Melbourne Cups.

A five time Group winner, Voila Ici has saluted at the highest level in Italy twice taking out the 2009 Premio Roma (2000m) and most recently, the 2011 Gran Premio di Milano (2412m).

The furthest the seven-year-old has raced over to date is 2800m when he won the Group 2 Prix Maurice De Nieuil at Longchamp in July 2009.

Voila Ici has passed the ballot for both Caulfield and Melbourne Cups where the Daylami entire will receive a weight which guarantees him a start in both Group 1 events.

The ghostly grey is currently quoted at \$51 for the 2012 Melbourne Cup with TAB Sportsbet Fixed Odds.
